

Policy

ATTENDANCE, ABSENCES AND EXCUSES

The board of education believes that the regular attendance of students in each class and in school in general is critical to its educational mission. The district shall endeavor to achieve the ninety percent (90%) attendance rate required by the New Jersey Quality Single Accountability Continuum (NJQSAC). Continuity of instruction is an essential element in student performance and allows students the greatest opportunity to succeed at meeting the state learning standards in the Common Core State Standards for mathematics and language arts and literacy and the Core Curriculum Content Standards. The chief school administrator shall oversee the development of effective strategies that maximize student attendance at all scheduled periods of actual instruction or supervised study activities and strive to:

- A. Encourage good attendance;
- B. Discourage unexcused absences;
- C. Identify patterns of absence, tardiness and early departures from school; and
- D. Intervene to prevent and correct problems with attendance.

Student Absences

Students shall be permitted eighteen (18) absences: nine (9) absences on an A day and nine (9) absences on a B day. Please review the chart below for detailed clarification. *Please note that Physical Education attendance is based on three marking periods and Health attendance is based solely on one marking period.

Course Type	Number of Allowed Absences
Full Year (FY) Course Meeting Every Day	18
Full Year (FY) Course Meeting Every Other Day	9
Half year (Semester) Course Meeting Every Day	9
Half year (Semester) Course Meeting Every Other Day	4
Physical Education Class (FY) Meeting Every Day	13
Physical Education Class (FY) Meeting Every Other Day	6
Health Class (One Marking Period) Course Meeting Every Day	5
Health Class (One Marking Period) Course Meeting Every Other Day	3

Attendance

A day in session for purposes of attendance shall be a day on which the school is open and students are under the guidance and direction of a teacher or teachers engaged in the teaching process. Days on which school is closed for such reasons as holidays, teachers' institutes and inclement weather shall not be considered as days in session.

ATTENDANCE, ABSENCES AND EXCUSES (continued)

A school day shall consist of not less than four hours of actual instruction. One continuous session of two and one-half hours may be considered a full day in kindergarten.

A day of attendance shall be one in which a student is present for the full day under the guidance and direction of a teacher while school is in session. Where there are two sessions in a day due to overcrowding, either session of four hours or more, exclusive of lunch or recess, shall be the equivalent of a full day's attendance.

A student shall be recorded as absent in the school register when not in attendance at a session, except students excused due to religious holidays who shall be recorded as excused. An excused absence for any reason other than due to religious holidays shall not be counted as a day of attendance in the school register.

The mere presence of a student at roll call shall not be regarded as sufficient attendance for compliance with law (N.J.A.C. 6A:32-8.3—School attendance). In a school which is in session during both the forenoon and the afternoon, a student shall be present at least one hour during both the forenoon and the afternoon in order to be recorded as present for the full day. In a school which is in session during either the forenoon or the afternoon, a student shall be present at least two hours in the session in order to be recorded as present for the full day.

A student not present in school because of his or her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

Excused and Unexcused Absence

- A. An absence shall be considered an "excused absence" for the purpose of determining promotion, retention, truancy, grades, course credit, eligibility to make up missed assignments and tests for full credit, and violations of the school code of conduct for attendance, for the reasons listed below: Administration may request documentation supporting the stated reason for the absence prior to considering an absence "excused."
1. The student's illness;
 2. Requirements of a student's individual health care plan;
 3. A death or critical illness in the student's immediate family, or of others with permission of principal;
 4. Quarantine;
 5. Observance of the student's religion on a day approved for that purpose by the State Board of Education;
 6. The student's suspension from school;
 7. Requirements of the student's individualized education program (IEP);
 8. Alternate short or long term accommodations for students with disabilities;
 9. The student's required attendance in court;
 10. Interviews with an admissions officer of an educational institution;
 11. Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day;
 12. Such good cause as may be acceptable to the principal.

ATTENDANCE, ABSENCES AND EXCUSES (continued)

Attendance need not always be within the school facilities. A pupil will be considered to be in attendance if he/she is present at any place where school is in session by authority of the board. The board shall consider each pupil assigned to a program of independent study, with parent/guardian permission, to be in regular attendance for that program, provided that he/she is under the guidance of a staff member so assigned, reports daily or weekly, as prescribed, to such staff member the place in which he/she is conducting his/her study, and regularly demonstrates progress toward the objectives of his/her course of study.

- B. An "unexcused absence" is a student's absence for all or part of a school day for any reason other than those listed as excused absences in "A" above. An unexcused absence may be counted toward retention, truancy, loss of course credit, ineligibility to make up missed assignments and tests for full credit, and violations of the school code of conduct for attendance. Absence is expressly not excused for any of the following reasons (this list is intended to be illustrative and is not inclusive):
1. Family travel;
 2. Performance of household or babysitting duties;
 3. Other daytime activities unrelated to the school program;
 4. Leaving school without permission when school is still in session;
 5. Leaving class because of illness and not reporting to the school nurse as directed; or
 6. Being present in school but absent from class without approval. Such absence from class is a "class cut."

Tardiness

The orderly conduct of class activity depends upon the prompt and precise beginning of the program. Tardiness hinders the proper conduct of school activity. Students are expected to arrive to school and class on time. A student who is tardy to any class will be subject to disciplinary action as outlined in board policy 5131 Conduct and Discipline and the student code of conduct. Consequences for accumulated occurrences of tardiness may include detention, loss of credit and an unexcused school day absence.

- a) Students who report up to 10 minutes late to class without a pass shall be considered tardy. Every five (5) tardies in a course shall result in one (1) unexcused absence.
- b) All lateness exceeding ten (10) minutes without a pass, with the exception of the late arrival of a district school bus, will be considered a cut from class and result in disciplinary action

Late Arrival and Early Dismissal

The board recognizes that from time to time compelling circumstances will require that a pupil be late to school or dismissed before the end of the school day.

As agent responsible for the education of the children of this district, the board shall require that the school be notified in advance of such absences by written request of the pupil's parent/guardian, which shall state the reason for the tardiness or early dismissal. Justifiable reasons may include:

- A. Medical or dental appointments which cannot be scheduled outside of school hours;

ATTENDANCE, ABSENCES AND EXCUSES (continued)

- B. Requirements of a student's individualized health care plan and individualized emergency healthcare plan;
- C. Requirements of the student's individualized education program (IEP);
- D. Alternate short or long term accommodations for students with disabilities;
- E. Medical disability;
- F. Motor vehicle driver's test;
- G. Interview for college entrance or employment;
- H. Family emergency;
- I. Court appearance;
- J. Participation in an athletic competition (administrative pre-approval required)
- K. Such good cause as may be acceptable to the administration.

No pupil shall be permitted to leave the school before the close of the school day unless he/she is met in the school office by his/her parent/guardian or a person authorized by the parent/guardian to act in his/her behalf.

Tardiness not covered by the causes listed shall be cumulative, and may affect course credit.

Students who are 18 and/or with driving privileges may sign themselves out with verbal or written approval by parent/guardian.

Attendance and Instruction

In order for the board of education to fulfill its responsibility for providing a thorough and efficient education for each student, the complete cooperation of parents/guardians and students is required to maintain a high level of school attendance.

The frequent absence of students from classroom learning experiences disrupts the continuity of the instructional process and limits the ability of students to complete the prescribed curriculum requirements successfully. The following rules shall apply for student absences:

- A. A student shall be considered absent from class for tardiness in excess of one half of the total class period.
- B. A student shall be considered absent from school for participation in less than 4 instructional hours during the school day.

A pupil must be in attendance for 162 or more school days in order to be considered to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned.

ATTENDANCE, ABSENCES AND EXCUSES (continued)

A waiver of these attendance requirements may be granted for good cause by the school principal upon recommendation of a review committee, appointed by him/her, and consisting of representative staff, including pupil service personnel and classroom teachers.

In recommending the granting of a waiver of this attendance requirement, the review committee shall consider the nature and causes of all absences rather than only those in excess of the 18 days. Documentation of the nature and causes of these absences shall be the responsibility of the pupil and parent/guardian. The absence of documented parent/guardian notes, doctor's notes, and other records that verify that an absence was excused according to board policy, shall be considered unexcused. Unexcused absences shall count toward truancy and may be subject to loss of grade or course credit toward promotion or graduation and disciplinary actions according to the code of student conduct. Notes from parents/guardians shall be considered but the district may require additional documentation such as doctor's notes or other official records to verify the note.

Parents/guardians are responsible for notifying the school early in the day when a child will be absent and for informing the school in writing of the reason for the absence.

Procedures for Unexcused Absences

When a student fails to report to class or school accumulating up to four unexcused absences, the district shall:

- A. Make a reasonable attempt to notify the student's parents/guardians of each unexcused absence prior to the start of the following school day;
- B. Make a reasonable attempt to determine the cause of the unexcused absence, including through contact with the student's parents;
- C. Identify in consultation with the student's parents needed action designed to address patterns of unexcused absences, if any, and to have the child return to school and maintain regular attendance;
- D. Follow all procedures according to law and board policy 5142 Safety 5141.4 Child Abuse and Neglect if a potential missing or abused child situation is detected;
- E. Cooperate with law enforcement and other authorities and agencies, as appropriate.

If contact through these means is unsuccessful the district may follow-up with another attempt to contact the parents/guardians or send a letter reporting the unexcused absence and requesting the parent/guardian to contact the school.

Procedures for Persistent Absences

If the pattern of unexcused absences continues and five to nine unexcused absences are accumulated the district shall:

- A. Make a reasonable attempt to notify the student's parents/guardians of each unexcused absence prior to the start of the following school day;

ATTENDANCE, ABSENCES AND EXCUSES (continued)

- C. Evaluate the appropriateness of action taken as identify in consultation with the student's parents;
- D. Develop an action plan to establish outcomes based upon the student's patterns of unexcused absences and to specify the interventions for supporting the student's return to school and regular attendance, which may include any or all of the following:
 - 1. Refer or consult with the building's intervention and referral services team;
 - 2. Conduct testing, assessments or evaluations of the student's academic, behavioral and health needs;
 - 3. Consider an alternate educational placement;
 - 4. Make a referral to or coordinate with a community-based social and health provider agency or other community resource;

"Juvenile-family crisis" pursuant to N.J.S.A. 2A:4A-22(g) means behavior, conduct or a condition of a juvenile, parent or guardian or other family member which presents or results in a threat to wellbeing and safety of the juvenile, serious conflict regarding the juvenile's conduct, unauthorized absence from home, pattern of unauthorized absence from school, or human trafficking;
 - 6. The implementation of all required procedures for potential abuse, neglect or missing child including cooperation with law enforcement and other authorities and agencies, as appropriate;
 - 7. Engage the student's family.

Truancy

For cumulative unexcused absences of 10 or more, the student between the ages of six and 16 is truant, pursuant to law. The district shall:

- a. Make a determination regarding the need for a court referral for the truancy;
- b. Make a reasonable attempt to notify the student's parents of the mandatory referral;
- c. Continue to consult with the parent and the involved agencies to support the student's return to school and regular attendance;
- d. Cooperate with law enforcement and other authorities and agencies, as appropriate;
- e. Follow all procedures required by N.J.S.A. 18A:38-28 through 31, Article 3B, Compelling Attendance at School and other applicable state and federal statutes as follows:

In any such proceeding, the summons issuing therein, or in special circumstances a warrant, shall be directed to the alleged disorderly person and the child.

Discipline

All discipline and remediation regarding the attendance of students shall be consistent with the board policy 5131 Conduct and Discipline and the Board of Education's code of student conduct. Consequences for absences may include but are not limited to:

- a) Students may be denied participation in co-curricular activities/athletic competitions if their attendance fails to meet the standards set forth herein.
- b) Loss of partial or total course credit;

The principal will notify parents/guardians, students and the home district of infractions of board policy 5110 Attendance and 5113 Attendance, Absences and Excuses. Following five or more cumulative unexcused absences school officials shall proceed in accordance with the sending district's board attendance policy and procedure. Repeat infractions of any student may result in loss of course credit and/or expulsion from the vocational program and return to the home district.

Notification of School Closing

Students, parents and guardians shall be notified of delayed school openings, early closings or school cancellations through the district's automated notification system.

Legal Custody

The principal or his or her designee may take such steps as seem necessary to ensure that the student is released only to the proper legal custodian.
