

Academy for Education and Learning

This Academy is an introduction to the field of education. In addition to the theoretical coursework, students in all grade levels prepare lesson plans and teach in the on-site learning center. The Learning Center serves children three to five years of age, four days a week, for two hours a day. Furthermore, student teachers conduct observations as well as track each child's development over the course of the school year.

FRESHMAN YEAR STUDIES INCLUDE

- Teaching as a Profession
