

Morris County School of Technology

Rider Permit

The Morris County School of Technology encourages safe driving and expects students with a Graduated Drivers License (GDL) to abide by the rules set forth by the state of New Jersey when entering and exiting our campus.

Drivers holding a GDL license have the following restrictions placed upon them:

- May not drive between 11:00pm and 5:00am.
- May not have more than one passenger (besides his or her dependents or is accompanied by a parent or guardian)
- May not use a cell phone (including hands free) or any other hand-held electronic device (Note: GPS systems - portable or built in - and iPods connected to a vehicle's sound system are permitted, but a teen should not make any adjustments to these devices while driving)

For more information see *New Jersey Teen Driving* (<http://www.njteendriving.com/gdl#Q2>)
